

COURSE INFORMATION

Registration

Each registrant needs to complete an individual application. Registrations **will not** be taken by phone and must be mailed with accompanying payment. Sorry, no walk-ins will be permitted. Please print your name clearly to assure your name badge is correct. Each course has limited seating so rank your courses by priority when registering. We will try to place you by your first choice but as all seats are first-come, first-served, it would be advisable to send your application in early. (The fees are also better!) **Note: Please print your DIRECT email legibly on the registration form and make a copy of your completed form before you mail it back to the SDS office. You will be contacted by email ONLY if your preferences change due to course capacity being reached.** You will also be given a copy of your Registration form when you sign in at the Symposium in case changes were made. Please note there are three tiers of registration deadlines. Due to the complexity of scheduling the courses as well as many other considerations, the final deadline will be **June 6**. These courses are for dentists and staff; please share this information. The brochure and registration form can also be downloaded from the front page of the SDS website, www.stanislausdental.org.

*Registration includes all courses, meals (meal tags will be included in the badges), and raffle opportunities.

Cancellations received after this date are non-refundable but substitutions can be made up until Thursday, June 13. There will be no refund for "No Shows" or cancellations made after this date.

Handouts

To maintain SDS's commitment to staying green, **ALL course handouts will be posted for attendees to download on the SDS website, www.stanislausdental.org (under Public/Pearls of Dentistry/2018 Symposium) by Tuesday, June 12. Recommended: print double-sided to conserve paper. There will be no handouts provided at the symposium.**

CE Certificates

CE certificates will be issued at the end of each course. **Certificates will not be mailed.** SDS is not responsible for lost or improper completion of CE cards.

Symposium Packet

Upon arrival at the symposium, all registrants will be given a Symposium tote which will include: a lanyard, name badge, meal tags (tucked in the back of the badge), pen, note pad, and Exhibitor card. Each registrant must wear their name badge during the symposium.

Exhibitors/Raffle Opportunities

Each registrant will have an Exhibitor card in their packet. Visit the booths of the exhibitors who so generously have supported the symposium. A visit to an exhibitor's booth will earn a stamp on your card. Each registrant who turns in a card with a minimum of **10** stamps will have their name entered for raffle opportunities which will be held at the end of the symposium. **Please do more than a run-by, each exhibitor has made it possible for us to offer you this Symposium allowing us to keep the course fees reasonable!**

*Special Lunchtime Bonus Opportunity!

Some exhibitors will have a \$50 bill in their pocket. At some point during your lunch hour you will hear the sound of a bell. The person talking to that exhibitor at the sound of the whistle will win \$50!
