

SYMPOSIUM COURSE INFORMATION

Registration

Each registrant needs to complete an individual form. Registrations **will not** be taken by phone and must be returned with accompanying payment. The registration form was designed to be in a fillable .pdf format for legibility purposes. If possible, please complete on a computer by typing in each field, save to your computer (so you have a copy for future reference), and email a copy back to the SDS office, even if you are paying by check. (Please make sure the check soon follows to complete your registration.) If completing by hand, please print legibly. **Note: Make sure to include your DIRECT email on the registration form.** The office will NOT be sending course reminders. You will receive an email to confirm your registered attendance and a course link will follow at a later date. Courses are for dentists and dental team members; please share this information. The brochure and registration form can also be downloaded from the front page of the SDS website, www.stanislausdental.org.
